*God never fail in all the circumstances*

## *1. Devotion for our patients*

This is a moment where we surrender ourself and allow God Almighty to take control.

The power of the word changes the thoughts of mind and the intention of our hearts and leave us with the complete peace of God.

Thanks to Pastor Grace Mokoena of

## *2. Message by the new Gen manager of the organisation*

I am so excited and felt very welcome to join the Nakekela family this month of June, we have a very committed Medical team, Homebased Care, Care workers who stand by the centre and hold the mandate that God has put to the visionaries of the organisation.

I am very humble to have been welcomed by the board members and above all I sincerely thank God the Almighty who has made it possible for me to meet the team of SALT Alliance at SALT Imbizo for the first time in Cape Town. The Alliance facilitates peer learning, accountability, community-based research and advocacy.

I cannot forget to salute with all my heart and to thank God about the Donors who have been supportive to the organisation for more than a decade, Namely Jakolien Meas on behalf of Verre Naasten, NL, Heidi Pronk of behalf of Word & Deed Canada and USA, as well as Masibambisane, NL. May the Lord protect you and your work be written on the book of remembrance.

### Our Vision

We see a community (KwaMhlanga / Tweefontein G) where people live fulfilling and productive lives, with hope. Hope for today, for tomorrow and for eternity as we teach them the Gospel of Jesus Christ. This is so because they know Jesus, but also because they have knowledge and skills about living well even though they or their loved ones may be HIV positive
